WORK EXERCISE

During previous GPAC meetings (July 2017), the topics of Utilities, Community Services, Energy, and Air Quality were discussed in detail.

The consultant team has taken the feedback received during these previous meetings, as well as feedback received from City staff and the public (from the online survey and visioning workshops), and developed the attached Draft General Plan Policy Sets.

The August 1st meeting provides the GPAC with an opportunity to review these Draft General Plan Policy Sets and provide specific feedback and input. Each member is asked to read all of the Draft General Plan Policy Sets and be prepared to discuss the following:

1. In reviewing the Draft General Plan Policy Sets, do you feel that all of the key issues raised by the GPAC related to this topic have been adequately addressed?
 2. Are there Goals, Policies, or Actions that you disagree with?
 3. Are there Goals, Policies, or Actions that you feel are missing, and that should be included?
 4. Do you have any questions regarding the proposed policy approach, and/or any issues that you would like to discuss or receive clarification on?
